(ii) If a hearing is recorded verbatim, a party requests the transcript of a hearing or part of a hearing, and the ALJ determines that the disposition of the proceeding would be expedited by a transcript of the hearing or part of a hearing, the ALJ shall order the verbatim transcription of the recording as requested by the party.

(iii) The costs of transcription or verbatim recordings will be paid for by USDA and charged to the agency whose action gave rise to the complaint at issue. Copies of recordings or transcripts of hearings will be made available to any party at the actual cost of duplication.

### § 15f.22 What happens after the hearing?

The ALJ will fix a reasonable time for filing posthearing briefs, proposed findings of fact and conclusions of law, and if permitted, reply briefs. Briefs should include a summary of evidence relied upon together with references to exhibit numbers and citations to the transcript and authorities relied upon. Briefs must be filed with the Docketing Clerk with copies to all parties.

## § 15f.23 What will constitute the record for the final determination?

The original complaint, the Section 741 Complaint Request, the OCR report, the agency answer, the transcript of testimony, exhibits, affidavits, depositions, briefs, memoranda of law, and all pleadings, motions, papers, and requests filed in the proceeding, including rulings, and the proposed determination by an ALJ (if applicable) shall constitute the exclusive record for the final determination.

# § 15f.24 When and in what form will a final determination be made on my complaint by USDA?

(a) The ALJ will make a proposed determination orally at the close of a hearing, or in writing within 35 days. The ALJ may recommend dismissal of your complaint on the basis of a finding that it is not an eligible complaint; recommend denial of your eligible complaint on the merits; or make a proposed finding of discrimination on your eligible complaint and recommend to award you such relief as would be af-

forded under the applicable statute or regulation under which the eligible complaint was filed. The proposed determination will become the final determination 35 days after it is made, unless you request review of the proposed determination by the ASCR. The ASCR also may review the proposed determination on his or her own initiative. If the ASCR reviews the proposed determination, he or she will allow the parties a reasonable opportunity to file briefs in support or opposition to the proposed determination, and afterwards file a final determination within 35 days after you request review of the proposed determination.

(b) To the maximum extent practicable, a final determination will be filed within 180 days after you filed your Section 741 Complaint Request.

#### §15f.25 Will USDA pay my attorneys fees if I win?

If you prevail on your eligible complaint, either in whole or in part, after a proceeding before an ALJ under the procedures in this subpart, you may be eligible for an award of attorneys fees as a prevailing party under the Equal Access to Justice Act (EAJA), 5 U.S.C. 504. To get an EAJA award, you must file an application for such fees with the ALJ within 30 days after the final determination is made. Instructions for filing an EAJA application and obtaining an EAJA award are contained in 7 CFR part 1, subpart J. The ALJ must follow those rules, and not these Section 741 Complaint Request rules, in making any EAJA award.

#### Subpart E—What if I Do Not Agree With the Final Determination by USDA?

#### § 15f.26 May I seek judicial review of the final determination?

Section 741 provides that you have at least 180 days after a final determination denying your eligible complaint under these rules to seek judicial review in the United States Court of Federal Claims or a United States District Court of competent jurisdiction.
